Where can I find popular or recommended lessons?

Last Modified on 11/02/2026 6:53 pm EST

This article explains how to discover popular, featured, or high-impact content on Big Think+ to help you get started or find inspiration.

Not sure where to start? Your homepage highlights content picked for you, plus what's new and popular across Big Think+.

- **Curations by [Your Organization]:** Content your learning team has put together for you.
- **Personalized learning for you:** Recommendations based on the role and skills you've chosen. Click **Edit your skills** to update them anytime.
- **Newest Expert Classes:** Recently released content you may not have seen yet.
- **Popular insights you can use right away:** Short, high-engagement lessons that learners across organizations are watching.
- **Build mastery through guided courses:** Structured courses with hands-on activities that help you apply what you learn to real work.

If you haven't chosen your skills yet, you'll see **Need help finding the right content?** where your recommendations would be. Click **Personalize my learning** to set them up.
